Re: *In re Apple & AT&TM Antitrust Litigation*, N.D. Ca. No. C 07-05152 JW

Re: *Kliegerman v. Apple, Inc.*, S.D.N.Y. No. 1:07-cv-08404-PKC

Dear Judge Ware:

This Firm is counsel to plaintiff Herbert Kliegerman and the putative classes in the second-listed above matter, which is pending before Judge Kevin P. Castel in the Southern District of New York. I write to apprise the Court of developments pertinent to the above two matters and to request a briefing schedule. I am sending this letter directly to your Honor in accordance with conversations that my partner, Alexander Schmidt, has had with Your Honor's Calendar Clerk, Elizabeth Garcia.

Like the Plaintiffs in the matters that have been consolidated before Your Honor in the *In re Apple & AT&TM Antitrust Litigation*, our client, Mr. Kliegerman, has asserted antitrust and other claims on behalf of himself and other persons who have purchased iPhones and attendant voice and data service plans. We understand that Mr. Kliegerman's action has been identified as a "related action" in the Joint Case Management Statement that the parties in *In re Apple & AT&TM Antitrust Litigation* filed on January 18, 2008 (Doc. # 52). We understand further that counsel for Apple, Inc. and AT&T Mobility, LLC have advised Your Honor that Apple has moved before Judge Castel to have the *Kliegerman* action transferred to Your Honor's Court so that it also may be consolidated into the *In re Apple & AT&TM Antitrust Litigation*.

I write to advise Your Honor that by tomorrow, February 5, 2008, Mr. Kliegerman will be consenting to Apple's transfer motion and proposed consolidation upon transfer. I write to further advise Your Honor that Mr. Kliegerman would like to file a motion to have this Firm's New York office appointed interim lead class counsel in the *In re Apple & AT&TM Antitrust Litigation*, with this Firm's San Diego office acting as local counsel.

Pursuant to Your Honor's Order Following Case Management Conference, filed January 29, 2008 (Doc. # 57), counsel for the *Smith* plaintiffs are to file their motion to disqualify the *Holman* plaintiffs' counsel and to be appointed as lead counsel no later than today, February 4, and the *Holman* plaintiffs' counsel are to file their opposition and cross-motion for appointment as lead counsel by February 18, with any replies due February 25. Because it will take several days to effectuate the transfer of the *Kliegerman* action, we respectfully request permission to file our proposed interim lead counsel motion on February 18, when the *Holman* plaintiffs' cross-motion is presently due, with any opposition to our motion filed by February 25.

This Firm is a preeminent plaintiffs' class action law firm with extensive antitrust class action experience, and we have expended considerable resources investigating and preparing the *Kliegerman* action for litigation. Our lead counsel application will show that we are very well-qualified to represent the putative classes in the *In re Apple & AT&T Antitrust Litigation* once Mr. Kliegerman's case is transferred.

If the Court prefers us to file our lead counsel application before February 18 we are prepared to do so. If the *Kliegerman* suit has not yet been transferred by the Court's preferred submission date, we can file a motion to intervene before the transfer is effectuated, if necessary.

Respectfully submitted,

Mark C. Rifkin
